

WOOD LOOK

Vivo

MARAZZI

Vivo

The colour range comprises 4 shades - Sabbia, Grano, Tabacco and Castano – available in the plank sizes 22.5x180, 20x150 and 20x120 and Chevron 11x54. With this variety and an aesthetic appeal enhanced by a slightly glossy surface that underlines the beauty of the wood look, Vivo offers great freedom of application, also in combination with other materials by Marazzi inspired by marbles, stones and Venetian Seminato and with all the covering collections. The Outdoor surface in the 20x150 and 20x120 also makes outdoor installation possible.

Legenda

Destinazioni d'uso

D
Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E
Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F
Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

G
Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

H
Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

Variazioni cromatiche

V0
Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1
Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2
Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

V3
Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4
Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
